# Lifeline Afghanistan Connects Afghan newcomers to Jobs

The Lifeline Afghanistan Magnet platform helps connect newcomers of all backgrounds and levels of experience to jobs.

Employers from across the country have posted jobs for Afghan job seekers. Newcomers and refugees from Afghanistan can apply for these jobs through the portal and find additional resources to support them.

To get started follow these simple steps:

1. Visit the Lifeline Afghanistan Job Portal landing page: [lla.magnet.today](https://la.magnet.today)
2. Create your free Lifeline Afghanistan Magnet account as a job seeker
3. Check your inbox for an account activation email, and click the link inside to activate your account
4. Complete the onboarding process with your preferences and profile. Don't forget to self identify as a newcomer to receive relevant opportunities and information.

With your account you can regularly view any job invitations you've received from employers in the system. You can also use the portal's job search tool to search for jobs in the system as well as from other job boards like Indeed and Canada Job Bank.
